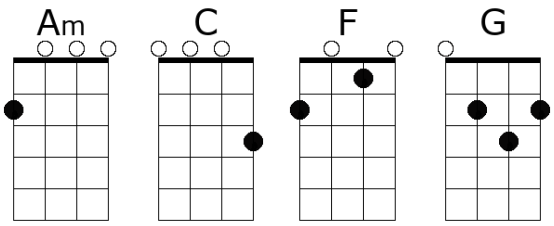
Let's Stay Home Tonight

Chorus:
n.c. **C** **F** **C**
Baby, let's stay home tonight. We can put a couple records on
G **F** **C**
We can build a fire alright. Maybe we can dance till dawn
C **F** **C**
Everything will be just fine. Don't even have to put clothes on
G **F** **C**
I can keep you warm inside. Baby, let's stay home to-night

F **C**
Lately, we've been walking in a straight line
G **Am**
Doing our own thing, never seem to find time
F **C**
We've been going downtown, making reser-vations
G **F** **C**
But maybe we just slow down, see where it can take us

<Chorus>

Interlude: F F C G (x2)

F **C**
I know, you wanna get dressed up
G **Am**
But I know who you are girl, there ain't no need for makeup
F **C**
'Cause you're my angel, I don't wanna share you
G **F** **C**
So why don't we just slow down, see where it can take us


<Chorus>
F **C**
Outro: Yeah baby, let's stay home to-night
