Catch a Falling Star

C F C F C F C
Catch a falling star and put it in your pock-et never let it fade a-way

C F C F C F C
Catch a falling star and put it in your pock-et save it for a rai-ny day

C7 F C
For love may come and tap you on the shoulder some starless night

C7 F C G7 C G7
And just in case you feel you want to hold her you'll have a pocketful of star-light

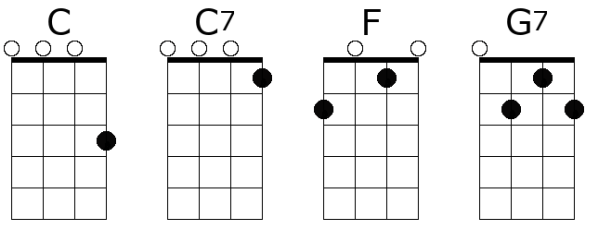
C F C F C F C
Catch a falling star and put it in your pock-et never let it fade a-way

C F C F C F C
Catch a falling star and put it in your pock-et save it for a rai-ny day

C7 F C
For when your troubles start multiplyin' and they just might

C7 F C G7 C G7
It's easy to forget them without tryin' with just a pocketful of star-light

C F C F C F C
Catch a falling star and put it in your pock-et never let it fade a-way

C F C F C F C
Catch a falling star and put it in your pock-et save it for a rai-ny day


C F C
Save it for a rai-ny day
