

# Chick-fil-A

(to the tune of Yesterday)

Baritone

**C** **Bm7**  
Chick-fil-A

**E7** **Am** **G** **F**  
I could eat that seven times a day

**G7sus4** **G7** **F** **C**  
Where the people laugh and children play

**Am** **D** **F** **C**  
Oh, I'm in love with Chick-fil-A

**C** **Bm7**  
Suddenly

**E7** **Am** **G** **F**  
I need waffle fries in front of me

**G7sus4** **G7** **F** **C**  
With some nuggets and a large sweet tea

**Am** **D** **F** **C**  
Oh, Chick-fil-A you set me free

**Bm7** **E7** **Am** **G** **F** **Bm7** **G** **C**  
Kids, get in the van so we can go there to-day

**Bm7** **E7** **Am** **G** **F** **Bm7** **G** **C**  
But their stores are closed! Oh, I know 'cause it's Sun-day-a-a-ay

**C** **Bm7**  
Chick-fil-A

**E7** **Am** **G** **F**  
What a dirty, rotten trick to play!

**G7sus4** **G7** **F** **C**  
Now I have to settle for Sub-way!

**Am** **D** **F** **C**  
Oh, I'm in love with Chick-fil-A

**Am** **D** **F** **C (sustain)**  
Mmm--mm... Chick-fil-A
