

Counting My Blessings

Intro: C (x4)

It's like it was yesterday I was praying for a miracle

Scared to have a little hope

And now looking back today Seeing all the things You've done

I can't even add them up

One, two, three Up to in-finity I'd run out of numbers

Before I could thank You for every-thing

Chorus

God I'm still counting my blessings All that you've done in my life

The more that I look in the details The more of your goodness I find

Father on this side of heaven I know that I'll run out of time

But I will keep counting my blessings Knowing I can't count that high

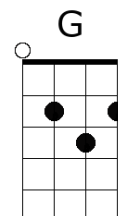

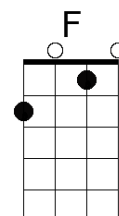

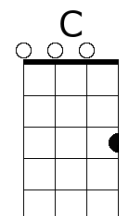

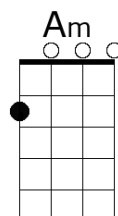

Instrumental: C (x3)

And I know that seasons Never last for-ever

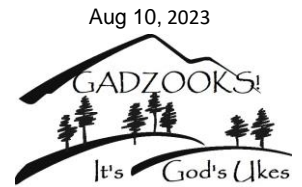

So, God I will re-member All of the reasons

My heart has to be grateful

All the times you have been faithful to me
