Did You Ever Have to Make Up Your Mind

Jun 27, 2023

Intro: D A G A D D

Did you ^D ever have to ^G make up your ^D mind ^G
 And ^D pick up on ^G one and leave the other ^D be-^{B7}hind
 It's not ^D often ^A easy and not often ^G kind
 Did you ^A ever have to ^D make up your mind

Did you ^D ever have to ^G finally de-^Dcide ^G
 And ^D say yes to ^G one and let the other ^D one ^{B7}ride
 There's ^D so many ^A changes and ^G tears you must ^D hide
 Did you ^A ever have to ^D finally de-^Dcide

Sometimes ^{B7} there's one with big blue eyes, cute as a bunny
 With ^{E7} hair down to here, and plenty of money
 And ^G just when you ^{E7} think she's that one in the ^D world ^{B7}
 Your ^A heart gets ^{Asus4} stolen by some ^A mousey little ^{Asus4} girl

And then you ^D know you better ^G make up your ^D mind ^G
 And ^D pick up on ^G one and leave the other ^D be-^{B7}hind
 It's not ^D often ^A easy and not often ^G kind
 Did you ^A ever have to ^D make up your mind

Sometimes ^{B7} you really dig a girl the moment you've kissed her
 And ^{E7} then you get distracted by her older sister
 When ^G in walks her ^{E7} father and ^D takes you in ^{B7} line
 And ^A says, "Better go home, son, and make up your ^{Asus4} mind" ^{Asus4}

Then you ^D bet you'd better ^G finally de-^Dcide ^G
 And ^D say, "Yes" to ^G one and let the other ^D one ^{B7}ride
 There's ^D so many ^A changes and ^G tears you must ^D hide
 Did you ^A ever have to ^D finally de-^{Asus4}cide ^D
