 I stopped dropping by without an ap-ointment

 Cause I'd hear laughter coming through your door

C Dm7 C Dm7  
 Sometimes late at night you'll still call me  
 C Dm7 C Dm7  
 Just before you close your eyes to sleep  
 C Dm7 C Dm7  
 You make me vow to try and stop by sometime

 But baby that's a promise I can't keep

 That we used to go to all the time

 I'm trying to e-rase you from my memory

 'Cause thinking of you jumbles up my mind

C Dm7 C Dm7  
 You always act so happy when I see you

 You smile that way you take my hand and then

 Introduce me to your latest lover

 That's when I feel the walls start crashing in

<Chorus>
