

For the Good Times

Intro: Dm G7 C C

Don't look so sad, I know it's over

But life goes on and this old world will keep on turning

Let's just be glad we had some time to spend to-gether

There's no need to watch the bridges that we're burning

Chorus:

Lay your head upon my pillow

Hold your warm and tender body close to mine

Hear the whisper of the raindrops fallin' soft against the window

And make believe you love me, one more time

n.c. For the good times

I'll get a-long, you'll find an-other

And I'll be here if you should find you ever need me

Don't say a word about to-morrow or for-ever

There'll be time enough for sadness when you leave me

<Chorus>

For the good times *C (sustain)*
