Get Together

Baritone

Intro: G F (x3)

G F
Love is but a song we sing - fear's the way we die

G F
You can make the mountains ring - or make the angels cry

G F
Know the bird is on the wing - and you may not know why

Chorus:

C D
C'mon people now, smile on your brother

G C D G
Every-body get together, try to love one an-other right now

G F
Some may come and some may go - we will surely pass

G F
When the one that left us here - returns for us at last

G F
We are but a moment's sunlight - fading in the grass

<Chorus> (x2)

G F
If you hear the song I sing - you will under-stand

G F
You hold the key to love and fear - all in your trembling hand

G F
Just one key unlocks them both - it's there at your com-mand

<Chorus> (x3)

G G (sustain)
Right now.... right now
