Hey Jude

Key:C   4/4 time
Sing:G   ♩=76

```
         C                  G            G7  G7sus4      G7       C
Hey Jude, don't make it bad,    take a sad  song     and make it better.
      F                              C                   G7           C
Re-member to let her into your heart,     then you can start   to make it better.

         C                  G            G7   G7sus4  G7      C
Hey Jude, don't be a-fraid,    you were made to     go   out and get her.
      F                              C                 G7           C
The minute    you let her under your skin,     then you be-gin to make it better.
```

Chorus:
```
CM7  C7                              F                    Dm
          And any time you feel the pain,     hey Jude re-frain,
      F         G7         G         C
Don't carry the world    up-on     your shoulders.
CM7  C7                              F                    Dm
          For well you know that it's a fool,     who plays it cool
      F         G7       G    C
By making this world    a little colder.

              C7       G7
  Na-na-na-na-na-  Na -na-na-na-na

         C                  G            G7   G7sus4      G7       C
Hey Jude, don't let me down,    you have found her      now go and get her.
      F                              C                 G7           C
Re-member to let her into your heart,     then you can start to make it better.
```

Chorus:
```
CM7   C7                            F                  Dm
          So let it out and let it in,   hey Jude, be-gin,
      F         G7       G       C
You're waiting for someone   to     per-form with.
CM7   C7                                  F                        Dm
          And don't you know that it's just you.   hey Jude    you'll do
         G7         G         C
The movement you need      is on    your shoulder.
