(I Believe in Music)

Gadzooks!
It's God's Ukes

Baritone

G   **Am**
Music is the universal language, and love is the key

   D7   **C**   **G**
To brotherhood, peace and understanding, and living in har-mo-ny

   G   **Am**
So take your brother (sister) by the hand and sing along with me

   D7   **C**   **G**
And find out what it really means, to feel young and rich and free.

Everybody now!

Chorus (x2)
G   **Am**   **C**   **D7**   **G**
I--------believe in music,   I--------I believe in love

G   **Am**
I could just go around praisin' Jesus all day long

   D7   **C**   **G**
As long as I'm praisin' Jesus ain't gonna do nobody no wrong

   G   **Am**
And who knows maybe I can come up with a song

   D7
To make people want to stop all this fussing and fighting

      C   **G**
Just long enough to sing a-long

Chorus 2 (x2)
G   **Am**   **C**   **D7**   **G**
I--------believe in Jesus,   I--------I believe in love

G   **Am**
Jesus is love and love is music if you know what I mean

D7   **C**   **G**
People who believe in Jesus are the happiest people I've ever seen

   G   **Am**
So clap your hands and stomp your feet and shake your tambourines

D7   **C**   **G**
Lift your voices to the sky, 'cause God loves you when you sing.
