I Believe in Music

May 26, 2020

Baritone

G Am
 I could just sit around making music all day long
 D C G
 As long as I'm making my music ain't gonna do nobody no wrong
 G Am
 And who knows maybe I'll come up with a song
 D
 To make people want to stop all this fussing and fighting
 C G
 Just long enough to sing a-long

Chorus
 G Am C D G
 I-----believe in music, I-----I believe in love
 G Am C D G
 I-----believe in music, I-----I believe in love

G Am
 Music is love and love is music if you know what I mean
 D7 C G
 People who believe in music are the happiest people I've ever seen
 G Am
 So clap your hands and stomp your feet and shake your tambourines
 D7 C G
 Lift your voices to the sky, God loves you when you sing.

<Chorus>

G Am
 Music is the universal language, and love is the key
 D7 C G
 To brotherhood, peace and understanding, and living in har-mo-ny
 G Am
 So take your brother (sister) by the hand and sing along with me
 D7 C G
 And find out what it really means, to feel young and rich and free.

Everybody now!

<Chorus> (repeat and fade)
