# I Don't Want to Set the World on Fire

Jan 7, 2020

Baritone

F Gm  
I don't want to set the world on fire

Bb C7 F Dm Gm7 C7  
I just want to start a flame in your heart

F G7  
In my heart I have but one de-sire

Bb C7 F Bb F F7  
And that one is you, no other will do

F7  
I've lost all ambition for worldly acclaim

Bb  
I just want to be the one you love

G7  
And with your admission that you'd feel the same

C7 C+7 (ritard) (2<sup>nd</sup> time to outro)  
I'll have reached the goal I'm dreaming of, believe me

F G7  
I don't want to set the world on fire

Bb C7 F Dm Gm7 C7 (to top)  
I just want to start a flame in your heart

Outro:

F G7  
I don't want to set the world on fire

Bb C7 F C7 F  
I just want to start a flame in your heart
