Ohhhhhhhhh I like ukuleles, they always make you smile **G7** What-ever trouble comes your way, it'll be O.K. in a little while Just plick a little tune now, it's easy if you try Just a couple of chords and a flick of the wrist $A07 \cdot \sim A07(alt) \cdot$ And you start to wonder why You've never tried this before, it'll o - pen a door G7↓ D7↓ G7↓ To something you that thought you couldn't do And take it from me, that little jumping flea **G7**↓ **D7**↓ **G7**↓ Will cheer you up and chase away your blues **Chorus: B7** So give me a uke, I want a uk-u-le-le, **A7 A7** Dm It speaks to me saying please, please play me **G7** All through the day and all on my own **G7**↓ **D7**↓ I'll be strum-ming away 'til the cows come home So play your ukulele, don't keep it to yourself Your moans and groans will fade away **G7** Dm They should stick 'em on the National Health I love my ukulele, it's always been a friend I'll hold it tight and keep it close right to the very end

<Chorus>
