┆: •  I keep a close watch on this heart of mine
          G7                    C     C7
I keep my eyes wide open all the time
           F                  C
I keep the ends out for the tie that binds
                    G7          C
Because you're mine, I walk the line

        G7                 C
I find it very very easy to be true
        G7                      C        C7
I find my-self alone when each day is through

Because you're mine, I walk the line

        G7                    C
As sure as night is dark and day is light
         G7                      C     C7
I keep you on my mind both day and night
           F                       C
And happi-ness I've known proves that it's right
                    G7          C
Because you're mine, I walk the line.

        G7                       C
You've got a way to keep me on your side
          G7                      C     C7
You give me cause for love that I can't hide
           F                    C
For you I know I'd even try to turn the tide
