I Will Survive

Baritone

Am-Dm-G-C-F-B7-E-E7

At first I was afraid, I was petrified I kept thinkin' I could never live
 without you by my side. But then I spent so many nights just thinking how you've
 done me wrong And I grew strong, I learned how to get a-long...

And so you're back from outer space, I just walked in to find you here without
 that look upon your face, I should have changed my freak-en lock, I
 would have made you leave your key- If I'd have known for just one second
 you'd be back to bother me.

Oh now go, walk out the door, Just turn a-round now, you're not welcome
 Any more. Weren't you the one who tried to break me with desire? Did you think
 I'd crumble? Did you think I'd lay down and die?

Oh not I , I will survive, Yeah, as long as I know how to love, I know I'll be
 alive. I've got all my life to live, I've got all my love to give, I will
 Sur-vive, I will sur-vive, Yeah, yeah...
