

I Will Survive

Am-Dm-G-C-F-B7-E-E7

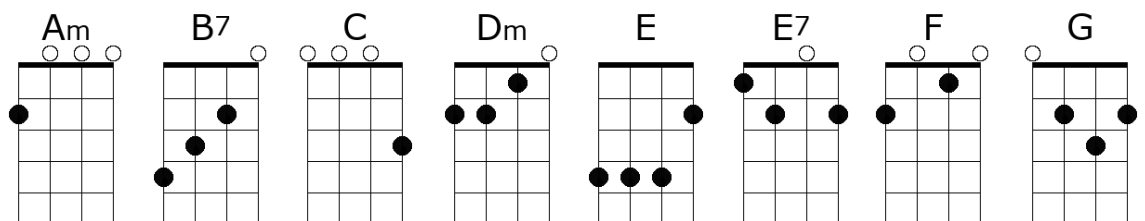

Am **Dm** **G**
At first I was afraid, I was petrified I kept thinkin' I could never live
C **F** **B7**
without you by my side. But then I spent so many nights just thinking how you've
E **E7**
done me wrong And I grew strong, I learned how to get a-long...

Am **Dm** **G**
And so you're back from outer space, I just walked in to find you here without
C **F**
that look upon your face, I should have changed my freak-en lock, I
B7 **E**
would have made you leave your key- If I'd have known for just one second
E7
you'd be back to bother me.

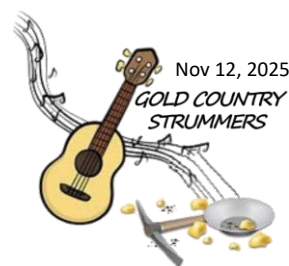

Am **Dm** **G** **C**
Oh now go, walk out the door, Just turn a-round now, you're not welcome
F **B7**
Anymore. Weren't you the one who tried to break me with desire? Did you think
E **E7**
I'd crumble? Did you think I'd lay down and die?

Am **Dm** **G** **C**
Oh not I , I will survive, Yeah, as long as I know how to love, I know I'll be
F **B7**
alive. I've got all my life to live, I've got all my love to give, I will
E **E7**
Sur-vive, I will sur-vive, Yeah, yeah...
