I'll Be Your Baby Tonight

Baritone

Intro: F G C G (4 beats each)

Close your eyes close the door. You don't have to worry any more

I'll be your baby to-night

Shut the light shut the shade. You don't have to be a-fraid

I'll be your baby to-night

Well, that mockingbird's gonna sail away. We're gonna forget it

That big fat moon is gonna shine like a spoon, but!

We're gonna let it. You won't regret it

Kick your shoes off do not fear. Bring that bottle over here

I'll be your baby to-night

Well, that mockingbird's gonna sail away. We're gonna forget it

That big fat moon is gonna shine like a spoon, but!

We're gonna let it. You won't regret it

Kick your shoes off do not fear. Bring that bottle over here

I'll be your baby to-night

Outro: (fade to end) F G C C↓
