# It's Beginning to Look a Lot Like Christmas

Baritone

Intro: F • B♭ • F • • •

It's be-gin-ning to look a lot like Christmas every-where you go

Take a look at the five and ten it's glistening once a-gain

With candy canes and silver lanes a-glow

It's be-gin-ning to look a lot like Christmas toys in every store

But the prettiest sight to see is the holly that will be

On your own front door

Bridge:

A pair of hop-a-long boots and a pistol that shoots is the wish of Barney and Ben

Dolls that will talk and will go for a walk is the hope of Janice and Jen

And Mom and Dad can hardly wait for school to start a-gain

It's be-gin-ning to look a lot like Christmas every-where you go

There's a tree in the Grand Ho-tel one in the park as well

It's the sturdy kind that doesn't mind the snow

It's be-gin-ning to look a lot like Christmas soon the bells will start

And the thing that will make them ring is the carol that you sing

Right with-in your heart. Right with-in your heart
