# It's a Good Day

Baritone

Intro: Dm7 • G7 • C • A7 • Dm7 • G7 • C • G+

Yes, it's a good day for singin' a song, and it's a good day for movin' a-long

Yes, it's a good day, how could anything go wrong

A good day from mornin' till night

Yes, it's a good day for shinin' your shoes, and it's a good day for losin' the blues

Ev'ry-thing to gain and nothin' to lose

Cause it's a good day from mornin' till night

I said to the sun, "Good mornin', Sun. Rise and shine, to-day"

You know you've got to get goin' if you're gonna make a showin'

And you've got the right of way

Cause it's a good day for payin' your bills, and it's a good day for curin' your ills

So take a deep breath and throw away your pills

Cause it's a good day from mornin' till night. (to top)

Outro:

Cause it's a good day from mornin' till night

(ritard) Cause it's a good day from mornin' till night
