Just My Imagination

Baritone

Intro: CM7 . . . F . . . CM7 . . . F . . . CM7 . . . F . . . CM7 . . . F . . .
Ooo ooo, oooooo, oooooo

CM7 F CM7 F
Each day through my window I watch her as she passes by

CM7 F CM7 F
I say to myself you're such a lucky guy

CM7 F CM7 F
To have a girl like her is truly a dream come true

CM7 F CM7 F
Out of all the fellas in the world she be-longs to you

Chorus:

CM7 F CM7 F
But it was just my imagination runnin' away with me

CM7 F CM7 F
It was just my imagina-a-tion runnin' a-way with me

CM7 F CM7 F
Soon we'll be married and raise a fa-mi-ly, (oh yeah)

CM7 F CM7 F
A cozy little home out in the country with two children, maybe three

CM7 F CM7 F
I tell you I - I - I - I can visua-lize it all

CM7 F CM7 F
This couldn't be a dream, for too real it all seems

<Chorus>

n.c. CM7
Every night on my knees I pray dear Lord hear my plea

G7
Don't ever let another take her love from me for I would surely die

CM7
Her love is heavenly when her arms enfold me, I hear a tender rhapsody

CM7
But in reality, she doesn't even know me

CM7 F CM7 F
Just my imagination (once again) runnin' away with me

CM7 F CM7 F
It was just my imagina-a-tion runnin' a-way with me

Outro: (repeat and fade)

CM7 F CM7 F
Just my imagina-a-tion runnin' a-way with me
