

# Kentucky Song

## Verse 1:

**C** **F**  
Down in Kentucky, in the south of Clay County  
**C** **G**  
Stands a church they call Saint Pete's.

**C** **F** **C** **G** **C**  
People would come from miles around for a service that couldn't be beat  
**C** **F**  
No, I wouldn't pull your leg, I'm serious as a snake  
**C** **G**  
Wouldn't even strum these chords  
**C** **F**  
Them people of Kentucky had a darn good reason  
**C** **G** **C**  
For comin' to praise the Lord

## Chorus:

**C** **F**  
Those people of Kentucky, they felt pretty lucky  
**C** **G**  
'Cause their crops always grew fairly well  
**C** **F** **C** **G**  
Six days of hard work and the Grace of God, would keep them all from.....  
**C** **F**  
Well, every Sunday mornin' the kids would come  
**C** **G**  
And they'd bring their mammy and pappy  
**C** **F** **C** **G** **C**  
Praisin' the Lord at ol' Saint Pete's sure made them country folk happy

## Verse 2:

All kinds of people came to pray at Saint Pete's  
Young ones and old ones alike  
They's Joshua Kinney and his dear wife Minnie  
And their flea bitten dog named Mike  
Young Jim Tracy and his pretty girl Stacey always brang tobacco to chew  
The Carter family always had to sit in the back  
'Cause grandpa slept in the pew!

## <Chorus>

### Verse 3:

When it came time to pass the basket around, the kids all threw in a penny  
The old folks, they would'a done the same, but the kids would'nt give 'em any  
The good Father Sherman always gave a good sermon  
None of them were ever bored  
Sometimes you could'a heard a pin drop,  
If it hadn't been for Grandpa's snore

## <Chorus>

### Verse 4:

Those simple folk loved to sing a simple song, like it'd never been sung before  
Singin' was the way they show'd their faith in Jesus Christ our Lord  
You can tell from this song that the feeling was strong  
When the people knelt down to pray  
And maybe you're wondrin' if the same could happen  
To the church that's down your way  
Why, I can recall it takes the faith of a child to make everything all right  
So Just get on your knees and ask the Lord please to come into your life

## <Chorus>
