Baritone

Intro: C C C F (X2)

n.c. C
There's a reason for the sunshinin' sky

C
There's a reason why I'm, feeling so high

G C C
Must be the season when those love light shines all a-round us

C
So let that feeling grab you deep inside

C
And send you reeling where your love can't hide

G C C
And then go stealing through the moonlit night with your lover

Chorus:

F
Just let your love flow like a mountain stream

C
And let your love grow with the smallest of dreams

G C C
And let your love show and you'll know what I mean - it's the season

F
Let your love fly like a bird on the wing

C
And let your love bind you to all living things

G C C
And let your love shine and you'll know what I mean - that's the reason

C
There's a reason for the warm sweet nights

C
And there's a reason for the candle lights

G C C
Must be the season when those love rites shine all a-round us

C
So let that wonder take you into space

C
And lay you under its loving embrace

G C C
Just feel the thunder as it warms your face - you can't hold back

<Chorus> (X2) (fade out second time)
