

Let's Stay Home Tonight

Baritone

Chorus:

n.c. C F C
 Baby, let's stay home tonight. We can put a couple records on
 G F C
 We can build a fire alright. Maybe we can dance till dawn
 C F C
 Everything will be just fine. Don't even have to put clothes on
 G F C
 I can keep you warm inside. Baby, let's stay home to-night

F C
 Lately, we've been walking in a straight line
 G Am
 Doing our own thing, never seem to find time
 F C
 We've been going downtown, making reservations
 G F C
 But maybe we just slow down, see where it can take us

<Chorus>

Interlude: F F C G (x2)

F C
 I know, you wanna get dressed up
 G Am
 But I know who you are girl, there ain't no need for makeup
 F C
 'Cause you're my angel, I don't wanna share you
 G F C
 So why don't we just slow down, see where it can take us

<Chorus>

Outro: Yeah baby, let's stay home to-night
