# Memories

**Intro:** C C↓ G G↓ Am Am↓ Em Em↓ F F↓ C C↓ F F↓ G G↓

## Chorus:

**C** **G** **G↓**  
Here's to the ones that we got

**Am** **Em** **Em↓**  
Cheers to the wish you were here, but you're not

**F** **C** **F** **G**  
'Cause the drinks bring back all the memories of everything we've been through

**C** **G** **G↓**  
Toast to the ones here to-day

**Am** **Em** **Em↓**  
Toast to the ones that we lost on the way

**F** **C**  
'Cause the drinks bring back all the memories

**F** **G** **C↓**  
And the memories bring back memories, bring back you...

**C** **G** **Am** **Em**  
There's a time that I re-member, when I did not know no pain

**F** **C** **F** **G**  
When I believed in for-ever, and everything would stay the same

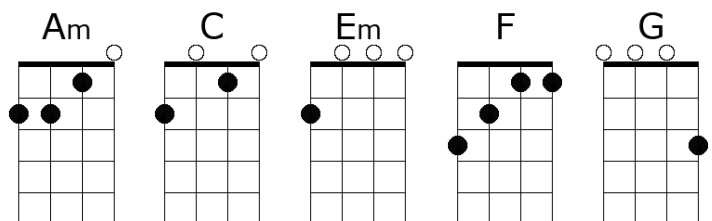

**C** **G** **Am** **Em**  
Now my heart feel like De-cember, when some-body say your name

**F** **C** **F** **G**  
'Cause I can't reach out to call you, but I know I will one day, ay

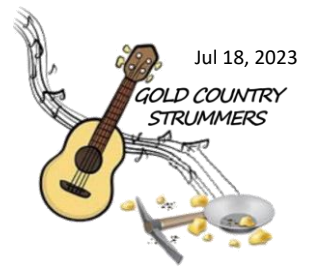

**C** **G** **Am** **Em**  
Every-body hurts sometimes, everybody hurts some-day, ay-ay

**F** **C** **F** **G** **G↓**  
Every-thing will be alright, go and raise a glass and say, ay

## <Chorus>

# Memories (pg 2)

Baritone

**C**            **G**            **Am**  
Do do, do do do do, do, do do do do

**Em**            **F**            **C**  
Do do do, do do do do do, do do do

**F**                            **G**                            **C↓**  
Memories bring back memories, bring back you...

**C**            **G**            **Am**            **Em**  
There's a time that I re-member, when I never felt so lost

**F**            **C**            **F**            **G**  
When I felt all of the hatred, was too powerful to stop

**C**            **G**            **Am**            **Em**  
Now my heart feel like an ember, and it's lighting up the dark

**F**                            **C**                            **F**                            **G**  
I'll carry these torches for ya, and you know I never drop, yeah

**C**            **G**            **Am**                            **Em**    **Em↓**  
Every-body hurts sometimes, everybody hurts some-day, ay-ay

**F**                            **C**                            **F**                            **G**    **G↓**  
Every-thing will be alright, go and raise a glass and say, ay

## <Chorus>

**C**            **G**            **Am**  
Do do, do do do do, do, do do do do

**Em**            **F**            **C**  
Do do do, do do do do do, do do do

**F**                            **G**                            **C↓**  
Memories bring back memories, bring back you...

## Outro: (slower to end)

**F**                            **G**                            **C (sustain)**  
Memories bring back memories, bring back you...
