Moondance

Jun 12, 2020

Intro: Dm • Em7 • Dm • Em7 • Dm • Em7 • Dm • A7↓

Well it's a marvelous night for a moondance with the stars up above in your eyes
 A fan- tabulous night to make romance 'neath the cover of Octo- ber skies
 And all the leaves of the trees are falling to the sound of the breezes that blow
 And I'm trying to please to the calling of your heartstrings that play soft and low
 And all the night's magic seems to whis- per and hush
 And all the soft moonlight seems to shine in your blush

2nd time to Outro

Can I just have one more moondance with you, my love
 Can I just make some more romance with you, my love
 Well I wanna make love to you tonight, I can't wait till the morning has come
 And I know now the time is just right and straight into my arms you will run
 And when you come my heart will be waiting to make sure that you're never alone
 There and then all my dreams will come true dear there and then I will make my own
 And every time I touch you, you just trem- ble in- side
 And I know how much you want me that you can't hide
 Can I just have one more moondance with you, my love
 Can I just make some more romance with you, my love
