

# Shout to the Lord

Baritone

**C**                    **G**                    **Am**                    **G**                    **F**  
 My Jesus,    My Savior,    Lord there is none like you

**F**                    **C**                    **F**                    **C**                    **Am**                    **Bb**    **F** **G**  
 All of my days,    I want to praise,    the wonders of your migh-ty love

**C**                    **G**                    **Am**                    **G**                    **F**  
 My comfort,    My shelter, tower of refuge and strength

**F**                    **C**                    **F**                    **C**                    **Am**                    **Bb**    **F** **G**  
 Let every breath,    all that I am,    never cease to wor-ship you

## Chorus:

**C**                    **Am**                    **F**                    **G**  
 Shout to the Lord all the earth let us sing

**C**                    **Am**                    **F**                    **G**  
 Power and majesty praise to the king

**Am**                    **F**                    **G**                    **Am**                    **G**  
 Mountains bow down and the seas will roar at the sound of your name

**C**                    **Am**                    **F**                    **G**  
 I sing for joy at the work of your hands

**C**                    **Am**                    **F**                    **G**  
 For-ever I'll love you for-ever I'll stand

**Am**                    **F**                    **G** **C**  
 Nothing compares to the promise I have in You

**C**                    **G**                    **Am**                    **G**                    **F**  
 My Jesus,    My Savior,    Lord there is none like you

**F**                    **C**                    **F**                    **C**                    **Am**                    **Bb**    **F** **G**  
 All of my days,    I want to praise,    the wonders of your migh-ty love

**C**                    **G**                    **Am**                    **G**                    **F**  
 My comfort,    My shelter, tower of refuge and strength

**F**                    **C**                    **F**                    **C**                    **Am**                    **Bb**    **F** **G**  
 Let every breath,    all that I am,    never cease to wor-ship you

## <Chorus>
