Still the Same

Jun 28, 2022

Intro: (x2) C C Em G

C **Em G**
You always won every time you placed a bet

C **Em G**
You're still damn good, no one's gotten to you yet

F G C
Every time they were sure they had you caught

E7 Am Dm G
You were quicker than they thought. You'd just turn your back and walk

C **Em G**
You always said, the cards would never do you wrong

C **Em G**
The trick you said, was never play the game too long

F G C
A gambler's share, the only risk that you would take

E7 Am Dm G
The only loss you could for-sake. The only bluff you couldn't fake

C E A
And you're still the same, I caught up with you yester-day
(Still the same, still the same)

Dm G
Moving game to game, no one standing in your way

C E A
Turning on the charm, long enough to get you by
(Still the same, still the same)

Dm G
You're still the same, you still aim high

Interlude: (x2) C C Em G
(Still the same, still the same)

F G C
There you stood, everybody watched you play

E7 Am Dm G
I just turned and walked a-way. I had nothing left to say

Outro: (last line repeat and fade)

C **Em G**
'Cause you're still the same
(Still the same, baby baby still the same)

You're still the same
(Still the same, baby baby still the same)

Moving game to game
(Still the same, baby baby still the same)

Some things never change
(Still the same, baby baby still the same)

You're still the same
(Still the same, baby baby still the same)
