   Where it began    I can't begin to knowin'    but then I know it's growing strong

C              F
   Was in the spring    and spring became the summer

C                                G7
   Who'd have believed you'd come a-long?

C      Am              G7              F                  G7
Hands,    touchin' hands    reaching out    touching me   touching you

C        F        n.c.                 F                        G7
Sweet Caro-line…. bahm, bahm, bahm    good times never seemed so good

C         F        n.c                 F                G7        n.c
I've been in-clined…. bahm, bahm, bahm    to believe it never would    But now I

C            F                          C                    G7
   Look at the night    and it don't seem so lonely.    We fill it up with only two

C            F                          C                        G7
   And when I hurt  hurtin' runs off my shoulder.  How can I hurt when holding you

C      Am              G7              F                  G7
Warm,    touchin' warm    reachin' out    touchin' me   touchin' you

C        F        n.c.                 F                        G7
Sweet Caro-line…. bahm, bahm, bahm    good times never seemed so good

C         F        n.c.                F                G7        n.c.
I've been in-clined…. bahm, bahm, bahm   to believe they never would   Oh, no, no
