Twinkle, twinkle, little star, how I wonder what you are

Up a-bove the world so high, like a diamond in the sky

Twinkle, twinkle, little star, how I wonder what you are

When the blazing sun is gone. When he nothing shines u-pon

Then you show your little light. Twinkle, twinkle, all the night

C F C F C G7 C  
Twinkle, twinkle, little star, how I wonder what you are

C F C F C C G7 C  
In the dark blue sky you keep, and often through my curtains peep

C F C G7 C F C G7  
For you never shut your eye, till the sun is in the sky

C F C F C G7 C  
Twinkle, twinkle, little star, how I wonder what you are
