

When You're Smiling

Intro: G G G G

When you're smiling, when you're smiling, the whole world smiles with you

When you're laughing, when you're laughing, the sun comes shining through

But when you're crying you bring on the rain, so stop your sighing, be happy again

Keep on smiling 'cause when you're smiling, the whole world smiles with you

To top: repeat as instrumental:

When you're smiling, when you're smiling, the whole world smiles with you

When you're laughing, when you're laughing, the sun comes shining through

But when you're crying you bring on the rain, so stop your sighing be happy again

Keep on smiling 'cause when you're smiling, the whole world smiles with you
