Sep 3, 2023

Baritone

C **G** **Dm**
What would you do when your bladder gets full

G7 **C**
Do you stand up and walk out to pee?

C **G** **Dm**
Lend me your ears and I'll sing you a song

G7 **C**
And I'll tell you what's working for me. Oh...

Chorus:

Bb **F** **C**
I get by with a little help from De-pends

Bb **F** **C**
Yea, you stay dry with a little help from De-pends

Bb **F** **C**
Whew, I can sigh with a little help from De-pends

C **G** **Dm**
What do I do when the john's far a-way,

G7 **C**
Re-lief can never be post-poned

C **G** **Dm**
I just let it flow 'til the end of the day,

G7 **C**
Then I throw it in the trash at home? Oh...

<Chorus>

Bridge:

C **Am** **D7** **C** **Bb** **F**
Do you need to go potty? My eye balls are starting to flood

Am **D7** **C** **Bb** **F**
Yes, you're free to go potty, It's like and in-visible jug

C **G** **Dm**
I try to keep holding with all of my might

G7 **C**
But, leakage it happens all the time

C **G** **Dm**
I go with the flow every day, every night

G7 **C**
And I never have to stand in line. Oh...
